USAGE INSTRUCTIONS

① Optimal Use Conditions: For optimal results, use the toy under normal conditions as intended.
② Safety Recommendations: For your pet's safety, it is recommended to use this toy in open spaces and avoid crowded areas to prevent potential hazards.
③ Pet-Friendly Design: This toy is specifically designed for dogs and is not suitable for children.

⚠ WARNING

Your dog's safety is in your hands. While our toys are durable, no toy is completely indestructible. Always supervise your dog during initial playtime until you're sure they can enjoy it safely on their own. Remove all packaging before use. Discontinue use if the toy becomes damaged.
